East Texas Baptist University • Marshall, Texas

June 25 – 29, 2018

Deep East Texas Electric Cooperative, along with eight other East Texas electric cooperatives, is preparing for the annual East Texas Rural Electric Youth Seminar—ETREYS. This year the event will be held from June 25 – June 29, 2018 at East Texas Baptist University in Marshall, Texas.

Established in 1988, the mission of ETREYS is to foster positive ideas and values among young people and to enhance skills in leadership, problem solving and interpersonal relationships.

Each year, DETEC offers an all-expenses-paid trip to selected sophomores and juniors who are attending a high school in the DETEC service area. Participants are selected on the basis of overall excellence and involvement in extracurricular activities including leadership positions, academic awards, etc.

While at ETREYS students can expect to participate in workshops, seminars and peer group activities that range from leadership development to pure entertainment. Nationally known personalities, college professors and community leaders are scheduled to speak at this year's event. Additionally, each student has a chance to compete for thousands in college scholarship funds!
